

**Celebrating 30 years of service – 2017**

**INSPIRING YOUTH IN GROUP HOMES, SHELTERS, DETENTION AND ORPHANAGES**

Without asking our friends for help through prayers, volunteer time, and financial support, we could never have reached this milestone. Our gratitude is overflowing and Our Lord is glorified.

When hundreds of 10 to 16 year-old youth from all ethnic backgrounds were placed in shelters and detention centers because of rebellion, abuse, or other tragic situations Dare to Dream showed up.

When incarcerated youth between the ages of 17 to 20 were preparing to return to society, Dare to Dream showed up with role model speakers to love, guide and encourage them to become productive citizens of tomorrow. Most of our youth return to fatherless homes, if they have a home at all.

When at-risk youth wanted Bibles, Dare to Dream showed up.

When asked to speak at the Dallas Can Academy Graduation for youth who were dropping out of school, Dare to Dream showed up.

When youth exiting the foster care system needed items for independent living, Dare to Dream showed up.

When asked to lead a mission trip to visit and encourage Romanian and Russian graduating orphans, Dare to Dream showed up.

When invited to give a message of hope to orphans at a home in Mexico, Dare to Dream showed up.

*Personal prayer team at a detention center*

When youth getting ready to exit the juvenile system needed to learn social skills and how to connect with caring adults, Dare to Dream showed up and coordinated luncheons with Full Gospel Businessmen.

When women in a homeless ministry needed guidance to get on the right track Dare to Dream showed up with love, encouragement and direction.

When grandparents called with a need for beds for their four adopted granddaughters, through your donations, Dare to Dream showed up.

When an abused teenager was released from prison and needed items for her infant child, Dare to Dream showed up.

When orphans in Rwanda, Nepal and India need food, shelter, and a Christian education, on a monthly basis, Dare to Dream shows up.

*Ask yourself, What can I do to help Dare to Dream continue extending an open hand to challenge, empower, and serve abused, neglected and foster children, the elderly and the homeless? Your prayers and financial support is a blessing and we thank you in advance for helping us to show up by offering your heart and your hand to a hurting world.*

Please stay in touch, and may God abundantly bless you and your family. Jan Tennyson, Founder
