Dare to Dream Children's Foundation

**Fund Raiser for Dare to Dream**

Find out how Jan Tennyson, an abandoned child placed in foster care in New York City, got to play the piano in Carnegie Hall, travel the world touching thousands of hurting youth in shelters, group homes, detention centers and orphanages, and win the Governor's Lonestar Achievement Award in the State of Texas

Turning the pages of this thought-provoking book will take you on amazing adventures to the jungles of Costa Rica, a survivors camp in Turkey, to a life-changing experience in Israel and more—

Tapping into the potential of those most unlikely to succeed and pointing them to a Heavenly Father has enabled the young and old to see a light at the end of the tunnel of despair. Jan's strong faith in God allows her to continue to reach for impossible dreams and help others discover an exciting path to their destiny.
